

Fox Valley GIS User Group

MINUTES

TUESDAY,
MARCH 10, 2010

1:00 PM

APPLETON CITY HALL

FACILITATOR	Jay Yearwood
NOTE TAKER	Jay Yearwood
ATTENDEES	Dave Levine, Trish Nau, Luke Behling, Mark Lund, Jess Schneider, Jason Weis, Jennifer Tovar, Jay Yearwood, Andy Hess, Tim Hennig, Adam Dorn, Scott Hand, Aaron Lehmkuhl, Tammy Castonia

Notes:

TOPIC	DEMO ON FLEX DEVELOPMENT DEMO ON ArcGIS 9.4 BETA	MARK LUND JASON WEIS
--------------	---	-------------------------

TOPIC	PROJECT REVIEWS	ALL
--------------	-----------------	-----

Dave Levine	Helping new GIS person, Dean Kaderabek, settle into position. Considering using Flex for some of their needs. Setting up map sheets for emergency management use.
Trish Nau	Finalize PSAP Census project. Projects: Greenways, portage trail signs in Appleton, open space planning, Fox Cities long range transportation plan.
Jay Yearwood	Primarily converting legacy IMS sites to Server. Customizing action script within Flex to meet our needs.
Luke Behling	Developing internal Flex sites for permitting and foreclosures.
Mark Lund	Wisconsin Ave reconstruct project mapping, developing Flex sites, working with Facilities dept on GIS conversion.
Jess Schneider	Flex development and training internal staff on use, a lot of Parks project updates and pamphlet design, starting to work with Inspections dept in developing a Flex site for their needs.
Andy Hess	Highway Facilities site project, new County highway map, 2015 land records plan
Tim Hennig	New setup of GIS for village, working on 5-yr GIS plan, configuring new rack server, sanitary GPS project, sign inventory, mobile solutions for Toughbooks, parks plan. Learning Sketch-up.
Jason Weis	Finished Fond du Lac sidewalk redistricting project, will be updating curb and ramp inventory. Illicit Discharge programs for multiple communities will be starting soon. New subdivision project in Grand Chute where they are testing new communication ideas using GIS and social networking.
Jennifer Tovar	Did a GIS presentation to town personnel, resulting in lots of meetings/questions. Organizing projects/data for summer intern.
Tammy Castonia	Implemented new server, installed Integrator Map Studio to help coordinate GIS/CAD data within Village
Adam Dorn	Working of parcel data conversion. Getting Cartegraph asset management system, working on street light/traffic light locations, installing SDE soon, training internal staff on ESRI software.
Scott Hand	Upgraded servers, will be upgrading GIS software, pilot project to mount GPS on "Gas Sniffer" truck.
Aaron Lehmkuhl	"New Guy" in Public Works dept. Learning systems and setup, will be working on water layers.

TOPIC	GIS DAY 2010	JAY YEARWOOD
--------------	--------------	--------------

Proposed ideas for participation in GIS Day 2010. Talked about making our event a partial day, possible smaller groups of 2-3 people and dispersing to several locations. We would meet to coordinate our presentations and posters. We would like to still target interested universities (UW-O, and UW-Fox Valley indicated interest). We would also like to target elementary schools throughout the valley. We are still gathering ideas, if you have other ideas please send those to one of the committee members. If you would like to be part of the committee, please e-mail Jay or Trish.

TOPIC	LINKEDIN	JAY YEARWOOD
--------------	----------	--------------

Due to the size of the group, e-mail lists are becoming difficult to coordinate and keep up to date. We will try our best to include all in the reminder. It was suggested that you join the group for the Fox Valley GIS User Group on LinkedIn to make sure you get the reminder, or visit our web site.

TOPIC	WROC	TRISH NAU
--------------	------	-----------

WROC will see a 20% cost reduction for participants as a result of monies being provided by the state as part of the acquisition.

TOPIC	NEXT MEETING
--------------	---------------------

The next meeting is tentatively scheduled for 1:00pm on **Tuesday, June 8**, to be held at the East Central Wisconsin RPC office. Please pencil this date and time on your calendars.

Minutes are provided as a summarized version of topics and discussions. Errors may exist from transcription from notes and lack of full understanding of projects discussed. Please contact individuals if you have specific questions regarding their projects and planned implementations.

If you want something included on the next agenda, please e-mail Trish Nau and Jay Yearwood with ideas and/or questions.
