### Notes:

<b>TOPIC</b>	SNEAK PEEK AT APPLETON'S GIS SIGN INVENTORY MANAGEMENT SYSTEM	JAY YEARWOOD
<b>TOPIC</b>	MIGRATING FROM FLEX 1.3 TO FLEX 2.1	JAY YEARWOOD
<b>TOPIC</b>	PROJECT REVIEWS	ALL

Jay Yearwood	ELA upgrade, Installation and testing. Sign Inventory system. Preparing for redistricting
Nick Musson	Sign Inventory planning
Mike Patza	Sign Inventory planning to help rural/small communities. Gearing up projects for safe walk to school program.
Adam Pfefferle	Farm Fresh Atlas , Niagara Escarpment project, Great Arc bike route going to printer for printing and also creating an interactive website for more detail.
Tammy Castonia	Arc 10 upgrade, working on sign inventory data.
Jennifer Tovar	A lot of signs already collected, street trees will also be added. Working on getting PipeTech software setup. Updating Map books.
Mark Lund	ELA rollout and conversion. Documentation updates to reflect the new processes and working on training materials for new users.
Aaron Lehmkuhl	Working on 2010 as-built updates. Updating domains to fit within new geodatabase.
Karl Beres	Came to see what actions and uses were happening in our area. Working on developing a class for Ripon College.
Adam Dorn	Parcel data conversion, ArcSDE and server implementation. Just installed Cartograph management system. Starting with sign inventory collection. Water utility geodatabase design and development.
Dean Kaderabek	Arc10 and Server implementation with SDE. Preparing for redistricting.

<b>TOPIC</b>	GIS DAY 2011	JAY YEARWOOD
--------------	--------------	--------------

In continuing the success of last year, the group wants to work on an event for GIS Day 2011, to be held Wednesday, November 16, 2011. We will be researching location ideas (again at UW-Fox Valley due to the success but ideas for multiple school demonstrations are also being discussed). The task force will meet and collect information and make a final decision at the June Meeting.

<b>TOPIC</b>	LINKEDIN	JAY YEARWOOD
--------------	----------	--------------

In an effort to better manage our mailing list, since it is shared between the three hosting organizations, we plan to delete the duplicate names from our e-mail list that are also members through the LinkedIn group. This should help to better identify those on the e-mail list and limit notification to one message. If anyone who is a member of the LinkedIn group wants to remain on the e-mail list, please let me know.

<b>TOPIC</b>	FUTURE CONFERENCES	ALL
--------------	--------------------	-----

WLIA Spring Regional Meeting – May 17-18 at the Radisson in La Crosse  
Esri International User Conference – July 11-15 in San Diego, CA.  
EWUG – November 9-10 at the Lambeau Field Attruim Conference Area in Green Bay

<b>TOPIC</b>	<b>NEXT MEETING</b>
--------------	---------------------

The next meeting will be held at the East Central Wisconsin RPC offices. The date and official time will be sent out once it is finalized.

There is no demo announced yet. If you have a suggestion, please send us a brief note on what you would like to see.

Minutes are provided as a summarized version of topics and discussions. Errors may exist from transcription from notes and lack of full understanding of projects discussed. Please contact individuals if you have specific questions regarding their projects and planned implementations.

If you want something included on the next agenda, please e-mail Trish Nau and Jay Yearwood with ideas and/or questions.
