| TOPIC | GIS DAY 2011 | JAY YEARWOOD |
|--------------|--------------|--------------|

In continuing the success of last year, the group wants to work on an event for GIS Day 2011, to be held Wednesday, November 16, 2011. Due to the success, we will plan to hold the event at UW-Fox Valley. We will be contacting the new staff at UW-Fox to coordinate. If you would like to participate in the event, please contact me. The task force will meet again within the next month to continue the planning process. A final plan report will be presented to the group at the fall meeting.

| TOPIC | LINKEDIN | JAY YEARWOOD |
|--------------|----------|--------------|

In an effort to better manage our mailing list, since it is shared between the three hosting organizations, we plan to delete the duplicate names from our e-mail list that are also members through the LinkedIn group. This should help to better identify those on the e-mail list and limit notification to one message. If anyone who is a member of the LinkedIn group wants to remain on the e-mail list, please let me know. Due to the fact that we have 3-4 people coordinating the meetings, some names get missed from the e-mails. It is encouraged that you create a LinkedIn account and join the user group there to ensure that you receive meeting announcements.

|--------------|---------------------|
| TOPIC | NEXT MEETING |
|--------------|---------------------|

The next meeting will be held at the East Central Wisconsin RPC offices. The date and official time will be sent out once it is finalized. There is no demo announced yet. If you have a suggestion, please send us a brief note on what you would like to see.

Minutes are provided as a summarized version of topics and discussions. Errors may exist from transcription from notes and lack of full understanding of projects discussed. Please contact individuals if you have specific questions regarding their projects and planned implementations.

If you want something included on the next agenda, please e-mail Trish Nau and Jay Yearwood with ideas and/or questions.
