Britig Duley, M & E	Stormwater project mapping for the Town of Clayton.	

TOPIC	WIGICC RECAP	TRISH NAU
The council has submitted a letter and brief to the governor's office for permanency through executive order based on the Deer Czar's report and is using this as ammunition to get the council permanent. The Council is waiting on a meeting to schedule with Governor Walker's staff. Non-profit paperwork has been filed out but the council still needs money to complete the process. This will be used to apply for grants and funding in the interim.		

TOPIC	ESRI UG INTERNATIONAL	JENNIFER TOVAR, LUKE BEHLING, MIKE ZUEGE
--------------	-----------------------	--

CONFERENCE RECAP

There are many booths and opportunities to do workshops on site and get your questions answered. Bring your data and the technicians help you through problems you have. The group discussed the local government model and updates. 10.1 server and SDE, as well as the ArcGIS Online. SP releases, October is SP1 release. ArcGIS 11.0 will be in 18 months.

TOPIC

WLIA NEWS AND INFO

JAY YEARWOOD

Jay discussed the deer czar report and that WLIA has sent along a letter with LION and WIGICC discussing the need for state-wide datasets. Lion is trying to get the 2.0 million back from the Comp Plan program (WLIP) base budget grants raised. The Fall Regional agenda has been set, preliminary document to be posted soon. Progress continues on the Just Do It parcels build project. Trying to get new members to join the association.

TOPIC

GIS DAY 2012

Jay lobbied for participation from other members in the User Group. E-mail discussions plan to continue on the topic. The event will again be held this year on Wednesday, November 14, 2012 at UW-Fox Valley 9am-2pm. Looking for posters from the user group and time to help out if you can. Trish Nau passed out a sign-up sheet for times and poster titles.

TOPIC

FUTURE
PRESENTATIONS

ALL

Send suggestions for demos to Jay or Trish.

TOPIC

**NEXT
MEETING**

The next meeting is tentatively scheduled for 1:00 pm on December 4, 2012 at the Greenville Town Hall, W6860 Parkview Drive, Greenville, WI. Jennifer Tovar will be demoing the Community Viz Software.

Minutes are provided as a summarized version of topics and discussions. Errors may exist from transcription from notes and lack of full understanding of projects discussed. Please contact individuals if you have specific questions regarding their projects and planned implementations.

If you want something included on the next agenda, please e-mail Brad Bastian, Jay Yearwood or Trish Nau with ideas and/or questions.
