MINUTES

WEDNESDAY,
DECEMBER 4, 2012

1:00
PM

TOWN OF GREENVILLE

FACILITATOR	Jay Yearwood
NOTE TAKER	Jennifer Tovar
ATTENDEES	Trish Nau, Jay Yearwood, Andy Maracini, Mike Zuege, Jennifer Tovar, Traci Meulemans, Tammy Castonia, Mark Lund, Jess Schneider, Adam Dorn, Aaron Lehmkuhl, Scott Hand

DEMOS / PRESENTATIONS

JAY YEARWOOD GAVE A PRESENTATION ON TIPS TO START LEARNING AND USING PYTHON. DISCUSSED THE POSSIBILITY OF SETTING UP A DROP BOX FOR SCRIPTS.

TOPIC	PROJECT REVIEWS	ALL
--------------	-----------------	-----

Trish Nau, ECWRPC	Menominee Tribe land use plan. Bike/pedestrian plan meeting in Oshkosh, Park & rec plans for Winnebago and Town of Buchanan. Intern who was working on Tri-County existing land use is leaving.
Jay Yearwood, City of Appleton	Fire department mobile for smoke detector installation; scripting to see how many were installed, etc. Python efficiency.
Tammy Castonia, Village of Little Chute	Fire Dept. using GIS for inspections of businesses using ArcReader, police mapping for school zones. Utility mapbooks. Outagamie County addressing and maintenance.
Aaron Lehmkuhl, City of Appleton	Mobile mapping for locators, geometric network with sanitary, WE Energies mapping.
Jennifer Tovar, Town of Greenville	Creating official map with officially mapped roads. Finishing plow route maps and tree pruning schedule.
Traci Meulemans, Outagamie County	Finished elections (a JavaScript viewer was set up). Migrating to 10.1. New plat books are coming out.
Mark Lund, City of Appleton	ArcGIS Mobile has been troublesome out of the box but have talked to ESRI and may have a fix
Jess Schneider, City of Appleton	Re-working Valley Transit maps. Plow maps. Fox Cities trail map.
Andy Maracini, Winnebago County	Stormwater Management. MS4 management ordinance. Use python for creating custom templates for parcels.
Scott Hand, WPS	Finished major mobile dispatch (300-400 trucks). Small world GIS upgrade project kicked off. Main replacement project in Chicago.
Mike Zuege	Metadata
Adam Dorn, City of Oshkosh	Documentation. Emergency Response Plan SOP for GIS. Training sessions. First implementation of ArcGIS Online project – historical districts and buildings. GIS server up and running for test environment.

TOPIC WIGICC RECAP TRISH NAU

The council has submitted a letter and brief to the governor's office for permanency through executive order based on the Deer Czar's report and is using this as ammunition to get the council permanent. The Council is waiting on a meeting to schedule with Governor Walker's staff. Non-profit paperwork has been filled out but the council still needs money to complete the process. This will be used to apply for grants and funding in the interim. A meeting is scheduled for this Friday.

TOPIC WROC RECAP TRISH NAU

There are many booths and opportunities to do workshops on site and get your questions answered. Bring your data and the technicians help you through problems you have. The group discussed the local government model and updates. 10.1 server and SDE, as well as the ArcGIS Online. SP releases, October is SP1 release. ArcGIS 11.0 will be in 18 months.

TOPIC

WLIA NEWS AND INFO

JAY YEARWOOD

New membership pricing that will include group rates is being considered.

TOPIC

GIS DAY 2012

Very successful turnout. 10% of the student body. Hoping to get additional feedback from Andy Shears.

TOPICFUTURE
PRESENTATIONS

ALL

Send suggestions for demos to Jay, Trish, or Jenny.

TOPIC**NEXT
MEETING**

The next meeting is our annual recap meeting and will be held at a restaurant yet to be determined on January 29th.

Minutes are provided as a summarized version of topics and discussions. Errors may exist from transcription from notes and lack of full understanding of projects discussed. Please contact individuals if you have specific questions regarding their projects and planned implementations.

If you want something included on the next agenda, please e-mail Jennifer Tovar, Jay Yearwood or Trish Nau with ideas and/or questions.
