

Fox Valley GIS User Group

Meeting Minutes

Location: ECWRPC Office

Date: July 21, 2016

Time: 1:00

Attendance

Mike Zuege, Jennifer Tovar, Andy Maracini, Jacob Waldschmidt, Heath Anderson, Mark Lund, Jessica Schneider, Brett Lessner, Adam Pfefferle, Sarah Francart, Josh Schedler, Adam Dorn, Tammy Castonia, Tyler DeBruin

Demo / Topic Discussion

1. Sign Inventory / Collector – Tyler DeBruin
2. Attribute Assistant – Jacob Waldschmidt

Open Discussion

1. Recap of ESRI User Conference – Moving away from ArcMap to ArcPro, but will maintain ArcMap 5 years after new updates. Jessica talked to the ESRI Transit Team about the GTFS Tools, which are very helpful.
2. [City of Oshkosh 2015 Imagery](#) is now online. Adam also shared a tip [to create tile packages for publishing hosted tile layers](#).
3. New update to Collector is out for iOS, soon for Android.

Other Notes

1. City of Appleton will be attending ArcPro training classes in Sept. Possible demo for next meeting.
2. Adam is willing to demo the Stormwater Storybook for either next meeting or at GIS Day.
3. Adam announced that the MUGG (Municipal User GIS Group) meeting is on October 14, 2016 from 9:00 am to noon in Marshfield.

Next Meeting

October – City of Appleton (more details to come).
